TAKE A SEAT AT THE COLMORE PARKLETS

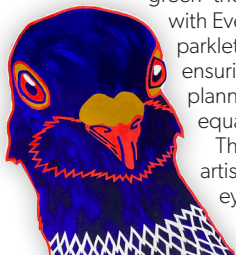

Colmore BID installed seven parklet outdoor seating areas across the Business District to give visitors and workers a place to sit outside.

Located near cafés, bars and restaurants on Waterloo Street, Church Street, Colmore Row and Barwick Street, the parklets, which were unveiled in the autumn of 2020, offer a place to enjoy a latte with friends or colleagues.

Each parklet has capacity for around 20 people within four defined areas; seating with a low table for coffee and drinks, an area for dining with a high table, standing room only and an area that has been specifically designed to be accessible for wheelchair users.

Colmore BID commissioned Birmingham City Council's award-winning nursery team to add floral decorations, keeping with the BID's ethos to 'green' the District. The BID worked with EventMen to design each parklet for its specific location, ensuring they meet relevant planning, licensing, safety and equalities standards.

The BID also commissioned artists to give the parklets an eye-catching finish.
